Welcome to the spring issue of Hook Eye, hopefully the weather will be more spring like than we have experienced recently. As ever, if you have contribution suggestions for future editions, please email hookeye@gmx.co.uk or drop us a note c/o La Pensione, 87 High Street with anything you have to say of interest to the village. Thank you to all contributors and advertisers.

Updates From Issue 7

- **Gala Field and Contemplation Area** - Grants have been applied for to cover the shortfall between the available funds raised by St Mary’s and the anticipated cost of constructing the contemplation area adjacent to the cemetery, but the awarding of some grants put conditions in place that would be difficult to practically include. Previously having sponsored memorial benches has been looked at and some interest has been expressed. In addition memorial plaques to be mounted on the wall are currently being looked at. If you would be interested in either having a bench or a plaque please contact HPC via email hpc@gmx.co.uk or any of the parish councillors whose details are at the back.

- **Carols around the Christmas Tree** - This first, hopefully of many, joint approach to the celebration of Christmas in the village was deemed to be a success by all. Plans are already underway for the 2018 event which is to be held on Saturday 1st December. As with all such ventures, ideas and contributions are always welcomed and any of the contacts on the Meet the Council page would be happy to discuss your ideas.
• **Westfield Lakes site** - As reported in issue 7, the planning appeal has now been escalated to the national planning inspectorate and we believe that a final decision should be made by May.

• **Project title: Hook Play Park**

The Members of Hook Parish Council are pleased to announce that following the Tesco Bags of Help vote in the Goole Tesco store, their project came third and has been chosen by Tesco Customers to receive an award of £1,000.00.

Voting was held at Tesco stores between Wednesday 1st November 2017 and Monday 1st January 2018 and proved to be very successful.

The £1,000.00 will help towards the funding of a new activity trail in the Play Park. Consultation is currently taking place with pupils of Hook CE Primary School with regard to their preferred choice of equipment to replace the old wooden tyre walk.

Thank you for everyone who voted in store.

**Garth Lane Traffic Concerns** have been raised by residents who signed a petition regarding the standard of driving, parking and safety. Cllr Keith Moore and a concerned resident met with officers from ERYC who are looking at what can be done to address the issues. There will be a further meeting held once the officers have investigated all of the options.
Your Neighbourhood Watch

There has been much publicity of late about misuse of 999 for calling the police. A Humberside PCSO recently posted this reminder about when it is appropriate to use 999, please be aware of the correct usage.

- 999 only
- Offenders near by
- Life @risk
- Injury caused
- Crime in progress
- everything else 101 online

For any other issues of interest or concern to the village as a whole please contact us via email, Twitter or Facebook. If you don’t have access to the Internet you can always contact us at La Pensione, 87 High Street.

If there are any issues that you feel need to be addressed or you wish to be added to the email list of members please contact us at hooknw@gmx.co.uk or the above address.

Twitter: https://twitter.com/Hookwatch
Facebook: https://www.facebook.com/HookNW

If there is anything of interest or advice from organisations such as Action Fraud these are reposted on our Twitter feed and on Facebook. There is very little communication via email unless there is something that needs to be addressed to those registered who may not access the social media, and if felt necessary the notice board would be used. We are fortunate to live in a low crime area, let’s all keep it that way by being vigilant.

We receive a monthly newsletter from the police and, generally, Hook doesn’t feature in the crime statistics or anti social behaviour reported. In this month’s newsletter there is a section on Crime Reduction advice, some of which has been printed on the next page. If anyone would like to see the full newsletter please email hooknw@gmx.co.uk
Humberside Police Crime Reduction Advice - Protect Your Devices

Your mobile is so much more than a phone. It’s your phone book, internet, email, social media, maps, personal banker, camera, photo library and weather forecaster. That’s why we strongly advise you to read on, to see how you can prevent yourself from being a victim of mobile theft.

- Don’t leave your phone, iPad, tablet or camera unattended, out of your sight or left on a table – thieves can grab a phone in seconds.
- Always be aware of your mobile and your whereabouts and act accordingly and when you’ve finished using it, put it away.
- Ensure you retain a record of your phone's IMEI number. This is a 15-digit unique number which can be obtained by keying in *#06#. You need this information if the phone is lost or stolen. And don’t keep a note of it on your phone as it defeats the object.
- Use your device’s security features, apps or PIN locking mechanisms to protect your data and prevent the phone being used if stolen.
- Register for free on an accredited mobile phone database such as Immobilise. This helps police to identify you as the rightful owner.

(www.immobilise is a free web based, secure property registration system. It is endorsed and searchable by all 43 UK Police Forces. Fill in the online form and create your own account – you will receive an email from immobilise confirming your account name and password.)

- Track it. Consider installing a tracker app on your smartphone. They’re readily available online. If your mobile’s ever stolen, act promptly.

The above is an extraction from the Humberside Police newsletter, another point to consider is how you use your phone. Mobile data is safer than public WiFi but if on a public service never do financial transaction and be wary of what information you send. If you are going to use public systems consider using VPN (Virtual Private Network) software.
Hook Gardening Club meets the last Friday of the month (exc June, July & Aug & Dec) at Hook Memorial Hall 7pm start.

There is no annual membership just pay as you visit £3 per person inc free refreshments, monthly raffle, plant /seed swap & gardening book lending library. New gardeners always welcome.

Our next meetings are on Friday:

March 30th - Nick Smith
Talk – The Show Must Go On! Behind the scenes of the Harrogate Spring and Autumn Flower Shows

April 27th - Sandra Bright
Talk – BBC The Great Allotment Challenge Finalist

May 25th - Keith Abel
Talk Growing Vegetables in a Small Garden

Find us on Facebook, Twitter and Instagram www.hookgardening.club

Jefferson Trust

The Charity of Joshua Jefferson, registered charity number 529852, offers financial assistance to residents of The Ecclesiastical Parish of Hook. Grants are available for travel to hospitals, for educational needs and for those preparing to enter a trade or profession as an apprentice or as a student.

Applications for consideration by the trustees should be made by letter containing details to the secretary, Mrs P.V. Collier, 47 Garth Lane, Hook, DN14 5NW.

Advertise in Hook Eye

3 issues £15 - 2 issues £11 - 1 issue £7 Produced November, March & July
Contact hookeye@gmx.co.uk or Hook Eye, La Pensione 87 High Street
Defibrillator

The defibrillator is checked on a regular basis and has in fact been accessed a minimum of five times since December. Unfortunately on one of these occasions it was required and didn't work correctly as the battery was in need of replacement and this was actually on order awaiting delivery at the time. As a consequence the unit was taken away by the ambulance service and nobody on the council was aware of its location which meant that it wasn't available for a few days.

It is appreciated that at the time of needing the defibrillator the last thing on anyone's mind is to let others know, but if you are unfortunate enough to need to access it please always advise a member of HPC when it has been replaced and whether it has been used at your earliest convenience after the emergency so that we can ensure that it is available the next time someone needs it.

- If you come across someone who is not breathing or breathing erratically, the most important thing is to call 999 and start CPR
- If you're on your own, don't interrupt the CPR to go and get a defibrillator. If it's possible, send someone else to find one.
- Once the defibrillator is open and in position, all you have to do is follow the spoken instructions.
- You should resume CPR as soon as instructed by the defibrillator.
Defibrillator Training

There was some initial training given when the defibrillator was originally located on the Memorial Hall and via Hook Neighbourhood Watch the parish council has been offered a training course by a qualified trainer. The trainer has requested a donation to Yorkshire Air Ambulance for his services and HPC are happy to pay towards this but participants would also be asked to make a contribution. The session would probably be around 2 hours, a short time to potentially save someone’s life. Places would be limited so in order to gauge interest please let Tracey O’Neill know if it is something that you would consider. The Yorkshire Air Ambulance was called to the village in December.

Hook Memorial Hall – AGM 5th March 2018

The committee of Hook Memorial Hall (HMH) held its annual general meeting on Monday 5th March. Built as a memorial to the soldiers of Hook, the hall is run entirely by volunteers for the benefit of everyone in the village and beyond, it does not receive any funding from government relying on the money raised through hire to survive. The hall had a very successful 2017 with many new activities available and is sure to bring more things in 2018. The list of activities available is shown towards the back of each Hook Eye, all are welcome to most events and organisers are always keen for new members to participate.

The current committee is made up of some village representatives and each of the regular hall user groups has a volunteer to participate on the committee. Many of the existing committee members have been helping to run the hall for many years now and would always welcome new villagers to increase numbers with two vacancies open, one for a village representative (someone keen to be part of village life) and one for someone to work on obtaining grants.

If you are interested in helping run the hall please do get in touch using the hall bookings telephone number.
Lane Gate holders in Hook Village

Many villagers have heard the term “Lane Gate” but with little idea about what it refers to. Diane Gollop, Secretary to the Lane Gate holders in Hook has kindly provided us with this information.

These are ancient properties within Hook that applied for grazing rights in the mid 1700s. Approximately 30 of these properties still exist and we meet regularly to try to protect our rights and even improve our village image.

During the late 1700s, when Common Land was enclosed, properties in Hook applied for grazing rights to enable them to continue rearing livestock for their needs. The properties that applied presumably had animals but insufficient land of their own. Some of these properties still exist (just over 30), the residents of which, can either use the grazing or be paid a small sum of money for not having grazed animals. These areas of land generally comprise of verges and small swathes of herbage around the area although one 11 acre field was purchased some 100 years ago and this generates income from rent.

It is important history in the making and we aim to protect this old tradition, even aiming to rebuild the Pinfold where stray animals were penned up.

Generally the Stockers (Lane Gate holders) meet once a year to discuss matters, receive the rents and check finances.

We are having an AGM on Friday 11th May 2018 at 7.30pm. This is a closed meeting for Lane Gate holders but we would entreat as many of these Holders to attend as can. The positions of Chairperson, Treasurer and Secretary will be offered out for any person to put themselves forward within the group also more Trustees are needed.

Site of the Pinfold
We also respectfully request if anyone is getting rid of any topsoil could we have it for Bread and Butter acres on Westfield Lane. This patch of pasture suffers from standing water.

Please contact the secretary D Gollop
Tel: 01405948307 Email: di@yorkshirehandyguide.co.uk

Café Connect is continuing to grow and is becoming better known in the village. It is used by villagers and others from afar. If you haven’t been to see us yet please call in. There are beautiful homemade cakes to eat and books to swap. We sit and chat and put the world to rights!

Last December we had a great afternoon at the Blacksmiths where Stuart and Elizabeth produced a fabulous Christmas dinner for us. Lots of laughs!

Recently some WI ladies have been with us. They demonstrated some of their craft skills and allowed us to join in. Gareth Ludlow (local PCSO) is also using some Café Connect Thursdays as the base for his surgery, although by the nature of his work he cannot guarantee attendance.

Recently we had a couple of trips to the cinema. We intend to do more and some days out also.

Please come along and have a cuppa with us!
Hook in Bloom really enjoyed getting involved with all the other groups at the Christmas Fayre. We give thanks to all those who donated gifts for the tombola and of course all of you who came and bought tickets! Like other groups we donated part of our proceeds to the Memorial Hall to help with their renovations.

Winter is the time to take stock and decide what our plans for the village are going to be this year so if you have any ideas we’d love to hear from you. Because last autumn’s jumble sale was such a success we are going to repeat it this spring. Watch out for the posters giving dates! Remember if you’re spring cleaning we’d be delighted to accept bric-a-brac for our table top event (2nd Sunday of each month) or clothes for the jumble sale.

Love to see you at our table top events. Come for a look around. Have a butty and cup of tea. Remember all monies raised are spent in our village.

**Hook Parochial Church Council** are looking for a secretary. The work is entirely voluntary and you do not need to be a member of the PCC to take on this position. Experience would help but training can be given. If you are interested please speak to Ken Barclay or Peter Jessop, contact number 01405 763228.

You can now follow St Mary’s on Facebook [https://www.facebook.com/StMarysChurchHook](https://www.facebook.com/StMarysChurchHook) Twitter [www.twitter.com/StMarysHook1225](www.twitter.com/StMarysHook1225)
The Scourge of Dog Fouling

This is a topic that has been covered previously and following a marked decline in the evidence of fouling it seems to be that our streets are once again being abused by inconsiderate and irresponsible owners. Walking along Garth Lane, an area where children walk daily, is nothing short of a slalom to avoid treading in the mess. High Street is no better and sometimes directly outside unsuspecting home owners doors. Don’t give other owners a bad name, pick up the mess your dog creates or risk a **FINE OF UP TO £1000**. The upsurge in street fouling is probably due to the inclement weather moving dog walkers from the riverbank but it is equally unacceptable to allow the practice there as is the disposal of dog poo bags anywhere other than in a bin. It isn’t necessary to use a specific dog bin, any street litter bin is OK. **Please be a considerate owner.**

2018 Goole Triathlon

Once again the annual Goole Triathlon will be coming to Hook. If this is something that you are interested in you can get more details by visiting the website www.gooletriathlonclub.co.uk

Hopefully the weather will be kind to spectators and participants alike, particularly considering that 15th July is in fact St Swithin’s Day and according to tradition, whatever the weather is like on that day, whether rainy or sunny, it will continue for the next 40 days and 40 nights.

Whatever the weather let us all hope for an enjoyable and safe event.
Hook History Group is made up of people from other village organisations and one of our projects is to help the Lanegate Society to rebuild the pinfold, which at some point in the future we hope will be part of a walk round the village and be a point of history close to our lovely historic church and the historic site of the moated mansion house. Unfortunately to date we have been unsuccessful in obtaining a grant. However, East Riding County Council have now put in a footpath to the road side of the intended site for re-building the Pinfold and we have applied for the land inside the Pinfold to be ‘stopped up’. (This is a term used when County Councils Highway Department say they own the rights on the land, if they agree to transfer the land on which the Pinfold is to be built back is called A Stopping-up Order.) We have now applied for this and if this is agreed aim to start the rebuild as soon as possible. I have spoken to the relevant department and I am quite hopeful this will be granted in the next few months.

We have been fund raising for this project but to date have a considerable shortfall so are looking for ways to achieve the rebuild of the pinfold. We are looking for sponsors to contribute towards the cost and also for tradesmen or labourers to volunteer their time to assist with the rebuild as this would save a considerable sum. If wished we would record their names within the pinfold and they would become a part of Hook history.

Hook History Group is also making records of early memories in people’s lives and have been having recording sessions which are demonstrating the vast changes that have taken place in the last 90 years. We have started with the older members of our community, unfortunately several people who agreed to be part of the project have now passed away which has demonstrated the need to make records ASAP. It is intended that we cover all age groups.

Would anyone who is interested in joining Hook History Group or participating in any of the above projects please contact Judy Wimsey, 18 Water Lane, Hook. Email address judywimsey@msn.com or 01405 765906.
Hook Parish Council Funding Update

The Parish Council are in the process of applying for funding to help towards replacing the Play Park fencing and gate and the wooden activity tyre walk in the Play Park, as below:

- Tesco Bags of Help in conjunction with Groundwork – voting in store ended on 1 January 2018. £1,000.00 awarded towards replacing the wooden activity tyre walk.
- Sixpenny Wood Windfarm – unsuccessful application.
- Goole Fields Wind Farms – application submitted to help towards the Play Park fencing and gate. Closing date 28/02/2018. Awaiting a decision.
- National Lottery Awards for All. Consultation is currently taking place with pupils of Hook CE Primary School with regard to their preferred choice of equipment to replace the wooden activity tyre walk. An application will then be submitted to help towards replacing the wooden activity tyre walk and safety matting.

Great British Spring Clean

After the snowy weather at the beginning of February, the forecast was looking such that the village litter pick planned for Sunday the 4th was unfortunately cancelled. However, one local ex resident of the village braved what turned out to be a bit of drizzle and one short spell of rain before it cleared up to be a dry warm day for the rest of the day.

Sean Stewart, who is also the village handyman, spent 10 hours of his own time from opposite the rugby club down Westfield Banks back along the riverside walk towards the village. He was most grateful to the few walkers that helped carry full bags back to Westfield Banks for collection by the East Riding Council refuse teams.

Just over 20 black bin bags of rubbish were collected, including lots of plastic and glass bottles, polystyrene takeaway trays, car tyres, disposable lighters and lots of dog bags. Many of the dog bags were slung in the trees and bushes as well as many more which were just dropped on the ground, the section cleared is now safer for both pets and wildlife alike.
As the Environment Agency are cutting back much of the willow, there is a huge amount of litter and debris that still needs collecting down Westfield Banks so volunteers are sought to join together to clear that area and under the M62 bridge too before everything starts to grow and hide all the waste. Although the official national event has been extended to 25 March there isn’t a convenient date in that time when HPC councillors can be involved. With that in mind the village clean has been rescheduled to Sunday 29 April. If you can take part all help would be appreciated and those participating will meet outside The Memorial Hall at 10:00am. In the meantime why not pick up a piece of litter when you are out and about and take it to the nearest bin, every little helps, or if you have opportunity to arrange your own clean up before spring growth obscures too much litter please do so.

As the Environment Agency cut back the bank trees every 4 or 5 years, now is a great opportunity to help clear up our local environment for everyone to enjoy.

Whilst talking about litter it is worth mentioning that in the Goole area 3 residents have recently been fined a total of over £1200 for fly tipping. This is a problem that does occur from time to time at various points down Westfield Lane and, if you see any, residents can report any fly-tipping or suspicious activity to the council on 01482 393939 or online at www.eastriding.gov.uk/fly-tipping.

**Hook Celebration Day 2018 - reinvesting in the community**

Hook Celebration Day will take place on Sunday May 20 from 1pm onwards at the Sotheron Arms (Heppy's) in Hook.

A small group of enthusiastic villagers have joined forces with Judy Wimsey, Susan Jones, Jenny Ogilby, Di Kelsey and many more to bring the community a number of events for all the family, starting with a fun day.

The event will include traditional
attractions such as a tug of war, tombolas, a raffle, face painting and children's games. Bring along a picnic and, fingers crossed, enjoy the sunshine in the lovely garden. If the British weather gets the best of us then we can still have fun in the shelter of The Stables.

We are inviting people to get dressed up (totally optional, as some of us aren't fancy dress fans) and as it will be the royal wedding weekend we would love to see princes, princesses or just anyone wearing red, white and blue. It's also FA Cup Final weekend so maybe just a football kit would do! There will be a prize for every child in fancy dress.

Anyone that can volunteer to help out on the day then please get in touch. Likewise, any donations of raffle or tombola prizes would be gratefully received.

We are reinvesting in the community but we can't do that without your support.

Hope to see you on May 20.

Find us on Facebook by searching Hook Celebration Day

**Goole Hospital Changes**

Please note the changes to services at Goole hospital which come into effect in April.

<table>

Goole and District Hospital will continue to provide planned, non-urgent care for local people.
Mad Dog Lane

Thanks go to Mrs Caroline Ainley, Acting Head at Hook Primary School, for arranging the clearing of the overgrown area in Mad Dog Lane. Trees have been planted along the school perimeter fence and HPC are arranging for further planting of suitable hedging along the outer perimeter. By doing this the area should become a wildlife corridor offering a safe habitat for birds and other small animals.

Consideration was given to fencing the area but this proved to be cost prohibitive and planting is a more practical solution. The hedging will be varied to add interest.

Centenary Remembrance

We know that it is a bit early to be talking about Remembrance Day but, as 2018 commemorates the centenary of the end of WWI, HPC felt that it warrants a different form of remembering. At a village in Leicestershire last year every lamppost in the village was adorned with a large poppy of the type attached to larger vehicles and as you drove through it certainly was a statement of a village that cared. With this in mind permission is being sought from ERYC highways department to allow a similar celebration in Hook.

Many people choose to mark the sacrifice of our forces, past and present, in November by donating to the Royal British Legion Poppy Appeal and either wearing a poppy, attaching one to their vehicle or some other way. Unfortunately today there are now many commercial organisations who have jumped on the bandwagon by selling poppy memorabilia at this time of year in the form of brooches and badges which are of little or no benefit to the charity. The Royal British Legion ask for £10 for each of the large poppies and there are approximately 40 lampposts on the through road of High Street and Church Lane. If you would like to sponsor a poppy for £10 or more please contact any parish councillor or the Clerk to the Council via email hpc@gmx.co.uk. Anyone who sponsors a poppy will be acknowledged in the November Hook Eye if desired.
Music on the Bandstand will return this summer, all from 2-4pm:

- Sunday 15 July, Markham Main Band, West Park
- Sunday 22 July, Hatfield Band, West Park
- Sunday 29 July, York RI Golden Rail Band, Riverside
- Sunday 5 August, Markham Main Band, Riverside

Spring at last

After what seems to have been an unusually prolonged winter it is good to see that spring is finally on the horizon. These photos were both taken in March, barely ten days apart. Hopefully we have now seen the last of the snow but who knows?

Guess we do now as the photo on the right was taken on 18 March just before printing.

Late News, The Bend Strikes Again

After a relatively long period with no reported accidents there was another incident at 6:25 on the morning of 18 March. A vehicle ended up in the ditch on the bend by the Gala Field. The bad weather was no doubt a contributory factor but this highlights the need to take extra care and to observe the speed limit at all times.
